Dear Raoul:

Re: Toronto 2008 Olympic Bid

TO-2008.COM

On behalf of the Board of Directors and the staff of the Bid we wish to extend our appreciation to you for all your efforts while a member of the Bid Van Program during the summer of 2000.

The Van Program was in attendance at over 135 events during the summer and was directly responsible for signing up over 55,000 volunteers for the 2008 Games. As you are aware, the number of volunteers is a strong indication of the Bid's local support, a significant factor considered by the International Olympic Committee in choosing the host of the Olympic & Paralympic Games. In addition, your efforts helped to strengthen community bonds in Toronto, an important legacy of the Bid.

We wish you every success in your future endeavours and hope you will recall your summer with the Bid with fondness and a deep sense of satisfaction.

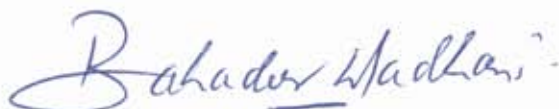

Yours truly,

David Crombie
